6. Tier qualification/ requalification happens on the first day of the new quarter. The total lifetime deposits made up until the first day of the new quarter and the sum of the trading volume for the previous (finished) quarter are used to calculate a Client's tier.

The qualification criteria for each tier are as follows:

Tier	Premier Preferred	Premier Elite	Premier Signature
Total lifetime deposits	20,000 USD	50,000 USD	100,000 USD
Trading volume per quarter	50 mln USD	100 mln USD	200 mln USD
